As a part of ISR activity, students of AIMT, greater Noida volunteered for the coordination at Sports Day of Asha School, Delhi cantt. On February 22, 2017, AIMT students went to Asha School for helping the teaching and non-teaching staff in coordination of their Annual Sports day. It was a great experience for the students of AIMT. They were engaged in different activities like helping Asha school students in getting ready for various events like lining up for race, dressing up and change of dresses for various performances. They had been the part of March past, assisted the teaching staff for prize distribution and also helped the students on wheel chair in competing in their respective races. The students were over-whelmed with the quality time spent with the Asha School students and were appreciated by the school's teachers and principal Mrs. Puri for their self-less contribution for the day.
